# SWEENEY ARNETT

WEB DEVELOPER

■ sweeneyarnett@gmail.com ③ sweeneyarnett.com ③ Seattle, WA in /sweeneyarnett/ ⑤ sweeneyyy

## **EXPERIENCE**

#### **Freelance Web Developer**

May 2018 - Current

- > Building a project in React, Node and Express and deployed with AWS Elastic Beanstalk.
- > Incorporates Spark Platform API to integrate live listing data.
- > Working with a Real Estate team to develop and design a web app to achieve their business goals, represent their brand and deliver an experience meeting the customer's needs.

#### **General Assembly**

Nov. 2017 - Feb. 2018

- > Built several full stack web applications both individually and in a team.
- > Education in popular web technologies, database development, CRUD operations, RESTful routing, OOP, TDD, Git and version control.
- > Pair-programming, agile development, wire-framing, rapid prototyping, and peer code review.

## **PROJECTS**

#### **Whereabouts**

Built a responsive web application with full CRUD functionality using the Express framework for Node and PostgreSQL. Incorporated the tumblr API and the Passport authentication middleware for Node.

#### Venture!

A responsive MERN stack app built in collaboration with two other developers at General Assembly. An end user can create an account to search their next travel destination and save popular restaurants via the Yelp API and create a packing list.

#### Whack-A-Shark!

A fun take on the classic 'whack-a-mole' built with vanilla JavaScript, HTML, CSS.

## ADDITIONAL EXPERIENCE

#### KW Realty Services, Team Manager

Sept. 2012 - Nov. 2017

- > Managed daily operations of a top performing Real Estate team and provided exceptional customer service to all clients.
- > Created and improved systems for goal and conversion tracking, transaction coordination, marketing and lead generation.
- > Reviewed contracts, monitored all deadlines and coordinated logistics with all parties throughout the selling process.

#### Knowledge Universe, HR Benefits Specialist

June 2011 - Aug. 2012

- > Supportive member of the benefits team responding to employee inquiries and providing accurate information, according to law and policy.
- > Processed requests to add, change or cancel insurance coverage and reviewed applicant paperwork to ensure compliance with company policy.
- > Initiated and reviewed national criminal background checks using ADP.

#### KW Portland Central, Executive Assistant

March 2010 - March 2011

- > Supported lead agent in daily operations allowing them to focus on growth.
- > Improved team marketing and branding and monitored and maintained all paperwork and transaction coordination.
- > Updated and maintained team contact database, website and calendar. Prepared market reports evaluating inventory and sales volume.

### **SUMMARY**

Passionate about problem solving and building products and web applications with a beautiful user experience. Proven track record succeeding under tight deadlines and thriving in a collaborative and fast-paced environment. Experience developing systems and procedures to increase efficiency and skilled in communicating clearly across teams. Highly motivated and focused on achieving a balance between usability and design through quality and concise code.
